an award winning writer delivers a major reckoning with religion place and sexuality in the aftermath of 9 11 hailed in the washington post as one of the most eloquent and probing public intellectuals in america richard rodriguez now considers religious violence worldwide growing public atheism in the west and his own mortality rodriguez s stylish new memoir the first book in a decade from the pulitzer prize finalist moves from jerusalem to silicon valley from moses to liberace from lance armstrong to mother teresa rodriguez is a homosexual who writes with love of the religions of the desert that exclude him he is a passionate unorthodox christian who is always mindful of his relationship to judaism and islam because of a shared belief in the god who revealed himself within an ecology of emptiness and at the center of this book is a consideration of women their importance to rodriguez s spiritual formation and their centrality to the future of the desert religions only a mind as elastic and refined as rodriguez s could bind these threads together into this wonderfully complex tapestry

every faith in the world is based on fabrication that is the definition of faith acceptance of that which we imagine to be true that which we cannot prove every religion describes god through

metaphor allegory and exaggeration from the early egyptians through modern sunday school metaphors are a way to help our minds process the unprocessable the problems arise when we begin to believe literally in our own metaphors religious allegory has become a part of the fabric of reality and living in that reality helps millions of people cope and be better people

what would it look like if women built a lectionary focusing on women s stories what does it look like to tell the good news through the stories of women who are often on the margins of scripture and often set up to represent bad news how would a lectionary centering women s stories chosen with womanist and feminist commitments in mind frame the presentation of the scriptures for proclamation and teaching the scriptures are androcentric male focused as is the lectionary that is dependent upon them as a result many congregants know only the biblical men s stories told in the sunday lectionary read in their churches a more expansive more inclusive lectionary will remedy that by introducing readers and hearers of scripture to women s stories in the scriptures a women s lectionary for the whole church when completed will be a three year lectionary accompanied by a stand alone single year lectionary year w that covers all four gospels

volume 1 translations of the bible take place in the midst of tension between politics ideology and power with the theological authority of the book as god s word not focusing on the process of translating is stating the obvious inclinations fluency and zeitgeist play as serious a role as translators person faith and worldview as do their vocabulary poetics and linguistic capacity history has seen countless retranslations of the bible what are the considerations according to which biblical retranslations are being produced in current 21st century contexts from retranslations of the hebrew bible to those of the old and new testaments to mutual influences of christian and jewish translational traditions the papers collected here all deal with the question of what is to be regained with the production of a new translation where at times many a previous one has already existed volume 2 times are changing and with them the norms and notions of correctness despite a wide spread belief that the bible as a sacred original only allows one translation if any new translations are constantly produced and published for all kinds of audiences and purposes the various paradigms marked by the theological political and historical correctness of the time group and identity and bound to certain ethics and axiomatic norms are reflected in almost every current translation project like its predecessor the current volume brings together scholars working at the intersection of translation studies bible studies and theology all of which share a special point of interest concerning the status of the scriptures as texts fundamentally based on the act of translation and its recurring character it aims to breathe new life into bible translation studies unlock new perspectives and vistas of the field and present a bigger picture of how bible re translation works in society today

womanist midrash is an in depth and creative exploration of the well and lesser known women of the hebrew scriptures using her own translations gafney offers a midrashic interpretation of the biblical text that is rooted in the african american preaching tradition to tell the stories of a variety of female characters many of whom are often overlooked and nameless gafney employs a solid understanding of womanist and feminist approaches to biblical interpretation and the sociohistorical culture of the ancient near east this unique and imaginative work is grounded in serious scholarship and will expand conversations about feminist and womanist biblical interpretation

translation theory and practice a historical reader responds to the need for a collection of primary texts on translation in the english tradition from the earliest times to the present day based on an exhaustive survey of the wealth of available materials the reader demonstrates throughout the link between theory and practice with excerpts not only of significant theoretical writings but of actual translations as well as excerpts on translation from letters interviews autobiographies and fiction the collection is intended as a teaching tool but also as an encyclopaedia for the use of translators and writers on translation it presents the full panoply of approaches to translation without necessarily judging between them but showing clearly what is to be gained or lost in each

case translations of key texts such as the bible and the homeric epic are traced through the ages with the same passages excerpted making it possible for readers to construct their own map of the evolution of translation and to evaluate in their historical contexts the variety of approaches the passages in question are also accompanied by ad verbum versions to facilitate comparison the bibliographies are likewise comprehensive the editors have drawn on the expertise of leading scholars in the field including the late james s holmes louis kelly jonathan wilcox jane stevenson david hopkins and many others in addition significant non english texts such as martin luther s circular letter on translation which may be said to have inaugurated the reformation are included helping to set the english tradition in a wider context related items such as the introductions to their work by tudor and jacobean translators or the work of women translators from the sixteenth to eighteenth centuries have been brought together in collages marking particularly important moments or developments in the history of translation this comprehensive reader provides an invaluable and illuminating resources for scholars and students of translation and english literature as well as poets cultural historians and professional translators

maps and meaning is relevant to those looking for a fresh perspective on biblical narratives related to the role of the priest patients soldiers and others who spend time outside the camp the authors consider the geographical interpersonal temporal and spiritual transitions individuals experience when they move in and out of the camp and the impact their time outside the camp has on family and community the authors propose a societal approach that embraces the inevitability of lifes ebbs and flow and that draws maps to facilitate these journeys

the story of ancient israel from the arrival in canaan to the destruction of the kingdom of judah and the babylonian exile some six centuries later here is the highly anticipated second volume in everett fox s landmark translation of the hebrew bible the personalities who appear in the pages of the early prophets and the political and moral dilemmas their stories illuminate are part of the living consciousness of the western world from joshua and the tumbling walls of jericho to samson and delilah the prophet samuel and the tragic king saul david and goliath bathsheba and absalom king solomon s temple elijah and the chariot of fire ahab and jezebel the stories of these men and women are deeply etched into western culture because they beautifully encapsulate the human experience the four books that comprise the early prophets look at tribal rivalries dramatic changes in leadership and the intrusions of neighboring empires through the prism of the divine human relationship over the centuries the faithful have read these narratives as demonstrations of the perils of disobeying god s will and time and again jews in exile found that the stories spoke to their own situations of cultural assimilation destruction and the reformulation of identity they have had an equally indelible impact on generations of christians who have seen in many of the narratives foreshadowings of the life and death of jesus as well as models for their own lives and the careers of their leaders but beyond its importance as a foundational religious document the early prophets is a great work of literature a powerful and distinctive narrative of the past that seeks meaning in the midst of national catastrophe accompanied by illuminating commentary notes and maps everett fox s masterly translation of the hebrew original re creates the echoes allusions alliterations and wordplays that rhetorically underscore its meaning and are intrinsic to a timeless text meant to be both studied and read aloud
